Appendix 1: Equality Policy

SU is committed to the principle of equality of opportunity and aims to ensure that all present and potential participants, members, coaches, competitors, officials and volunteers are treated fairly and on an equal basis, irrespective of their gender, age, disability, ethnic origin, race, religion, belief system, social status or sexual orientation.

SU aims to make its services and training schemes accessible to all and may take special measures to ensure that certain groups are not unfairly disadvantaged, provided that such action is within their ability and does not adversely affect the standard, quality and integrity of its plans.

SU reserves the right to take the appropriate action to discipline any of its members who practise any form of discrimination in breach of this policy.

Appendix 2: Child Protection Policy

As defined in the Children's (NI) order 1995, for the purposes of this policy anyone under the age of 18 should be considered as a child. The policy also applies to vulnerable adults.

It is the policy of Softball Ulster to safeguard children and young people taking part in softball events from physical, sexual or emotional harm. Softball Ulster recognises that the safety and welfare of the child is paramount and that all children, whatever their age, gender, disability, culture, ethnic origin, colour, religion or belief, social status or sexual identity, have a right to protection from abuse.

Softball Ulster will work on clear guidelines for working with young people alongside their development plans for youth softball. This is not part of the current strategic plan as we are working on building up our volunteer database prior to expansion to youth areas. All softball clubs wishing to include under 18's or vulnerable adults as members must apply for written consent by Softball Ulster. At this time if not already in place Softball Ulster will put into place strict guidelines and procedures for working with young people.
